ELECTRONICS AND TELECOMMUNICATION ENGINEERING

networking & fiber optics communication skills

Pursuing a Bachelor of Engineering in Electronics and Telecommunications Engineering at University of Rwanda, with an expected graduation in June, 2024. Relevant coursework includes Network Design and Analysis, Fiber Optics Communication, Digital Signal Processing, and Wireless Communication Systems, complemented by practical training in web development fundamentals. Engaged in hands-on projects focusing on network design and fiber optics splicing, while also gaining proficiency in HTML, CSS, and JavaScript. Actively involved in student organizations to enhance leadership and communication skills.

- Network management
- Web development (HTML, CSS and JavaScript)
- Computer skills (Word, Excel, PowerPoint, able to explore internet)

EXPERIENCE

Final Year Student at University Of Rwanda

Electronics and telecommunication Department

Present

Internship at Rwanda Energy Groupe limited

Technician- Precision Splicing

2023

- During my internship, I was a diligent worker with discipline, critical thinking skills, and the ability to collaborate effectively within a team. I specialized in fiber splicing and contributed positively to the tasks assigned to me.

SPECIALIZED EDUCATION

BACHELOR WITH HONOR IN ELECTRONICS AND TELECOMMUNICATION ENGINEERING

University of Rwanda College Of Science And Technology.

2024

TECHNOLOGY Word, PowerPoint, Excel, Access, , MicroStation, Outlook, Internet Research
